

MAKER : A.P.M.

PRODUCTS : ROUND TYPE METAL SAW(CUTTER),METAL SAW(CUTTER)

OBJECT MATERIAL : CARBON STEEL,STAINLESS STEEL,COPPER, BRASS,
MOLD(SHAPE:ROUND,SQUARE,PLATE,PIPE ETC.)

[MAKER'S MERIT]

A.P.M.'s company history is very long and their products are reasonable prices and easy using and strong and quality is good.

At the present, their main products are round type metal saw(vertical slide type) & metal saw(cutter).

[MERIT OF ROUND TYPE METAL SAW(VERTICAL SLIDE TYPE)]

Cutting surface is fine.

Cutting precision is good.

Cutting speed is fast(30 sec/l cut at carbon steel bar of 50mm).

Metal saw of recycle polishing is easy and low cost.

For NX series, there are hand manual type, pneumatic type,hydraulic type,
all automation type etc..

The can produce for special make.
